

Launch Edition 2027

# BULK X INDIA

BULK MATERIALS HANDLING EXPO

**AN EXCLUSIVE  
TRADE EXHIBITION ON  
BULK MATERIAL HANDLING  
FOR HEAVY INDUSTRIES**

## 12-14 | MAY 2027

 **Biswa Bangla Exhibition Centre  
Newtown, Kolkata, India**

### MOVING HEAVY INDUSTRIES FORWARD

-  **Mining & Minerals**
-  **Steel & Metallurgy**
-  **Cement & Construction**
-  **Ports & Shipping**
-  **Power & Energy**

**INNOVATIVE  
TECHNOLOGIES**

**BUSINESS  
OPPORTUNITIES**

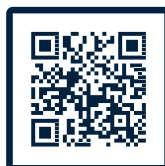

**INDUSTRY  
NETWORKING**

**A STRONGER  
TOMORROW**

# MOVE BULK. BUILD INDIA.

## Connecting Heavy Industries with

Advanced Bulk Material Handling Solutions for  
**Mining | Steel | Cement | Power | Ports**

**MOVE BULK. BUILD INDIA.**

**BulkX India** - India's dedicated Bulk Material Handling Expo for Heavy Industries, bringing together technologies, equipment, systems, and solutions for efficient movement, storage, processing, and transportation of bulk materials.

Designed to serve core industries like Mining & Minerals, Steel & Metallurgy, Cement & Construction, Ports & Shipping, Power & Energy, Chemicals & Fertilizers, the exhibition creates real business opportunities through networking, innovation, and collaboration.

BulkX India will provide a focused business platform for manufacturers, suppliers, technology providers, EPC companies, logistics specialists, plant operators, and industry professionals to connect, showcase innovations, generate business opportunities, and explore the future of bulk material handling.

BulkX India connects key stakeholders, solution providers, and decision-makers under one powerful platform.

## Why Kolkata ?

- Gateway to Eastern & North Eastern India
- Close to major Mining Belts
- Access to Steel & Metal Clusters
- Major Ports (Kolkata & Haldia)
- Fastest growing Industrial Corridor
- Connectivity to Bangladesh, Nepal & Bhutan markets

## Why Participate ?

- Dedicated exhibition for bulk material handling
- Focused audience from Mining, Steel, Cement, Ports & Power
- Eastern India's strategic industrial hub
- Opportunity to meet plant-level decision makers
- Live machinery demonstration opportunities

## Participating Advantages

- Turn Your Participation into Measurable Business Growth
- Connect with qualified buyers & key decision-makers
- Demonstrate Live Machinery & Solutions
- Launch new products in a targeted industry environment
- Generate high-quality leads & partnerships
- Strengthen brand presence in core industrial sectors

# Exhibiting Profile

## Bulk Material Handling Equipment

Conveyor Systems & Components  
Bucket Elevators  
Screw Conveyors  
Stackers & Reclaimers  
Feeders & Hoppers  
Crushers & Screens  
Vibrating Equipment  
Material Handling Automation Systems

## Mining & Quarrying Equipment

Mining Machinery  
Excavators & Loaders  
Dump Trucks & Tipplers  
Drilling Equipment  
Mineral Processing Equipment  
Screening & Crushing Plants  
Bulk Ore Handling Systems

## Cement, Steel & Power Plant Technologies

Raw Material Handling Systems  
Ash Handling Systems  
Coal Handling Plants  
Steel Plant Material Handling  
Cement Plant Equipment  
Industrial Processing Systems  
Heavy Engineering Solutions

## Port, Shipping & Cargo Handling

Port Handling Equipment  
Ship Loaders & Unloaders  
Cargo Handling Systems  
Container Handling Equipment  
Harbour Cranes  
Bulk Cargo Storage Solutions  
Logistics Infrastructure

## Storage & Warehousing Solutions

Silos & Storage Tanks  
Warehousing Systems  
Industrial Storage Solutions  
Stockyard Management Systems  
Palletizing Systems  
Packaging & Bagging Equipment

## Logistics & Transportation

Industrial Trucks & Trailers  
Rail Freight Solutions  
Fleet Management Systems  
Bulk Transportation Equipment  
Smart Logistics Technologies  
Supply Chain Solutions

## Automation & Digital Technologies

Industry 4.0 Solutions  
Smart Sensors & Monitoring  
AI & IoT for Bulk Handling  
Robotics & Automation  
Industrial Software & ERP  
Process Control Systems

## Environment, Safety & Sustainability

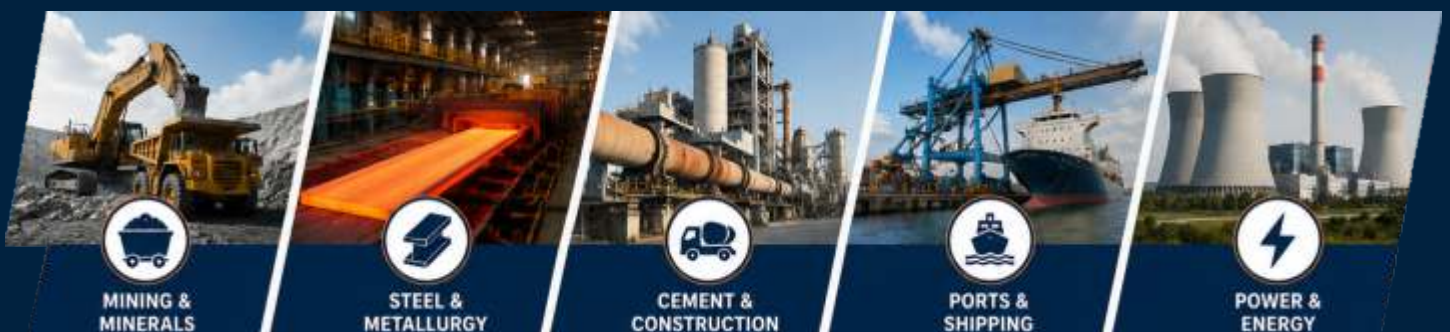

Dust Suppression Systems  
Pollution Control Equipment  
Waste Management Solutions  
Industrial Safety Equipment  
Fire & Hazard Protection  
Sustainable Processing Technologies

## Components & Industrial Supplies

Motors & Drives  
Gearboxes & Bearings  
Belts & Chains  
Valves & Pumps  
Hydraulic & Pneumatic Systems  
Industrial Lubricants  
Electrical & Control Panels

## Testing, Consultancy & Services

Industrial Consultants  
EPC Contractors  
Testing & Inspection Agencies  
Research Institutions  
Technical Associations  
Certification Bodies  
Training & Skill Development Providers

MINING &  
MINERALS

STEEL &  
METALLURGY

CEMENT &  
CONSTRUCTION

PORTS &  
SHIPPING

POWER &  
ENERGY

## Visitors Profile

- Plant Heads & Factory Managers
- Procurement & Purchase Professionals
- Material Handling & Process Engineers
- Logistics & Supply Chain Professionals
- Warehouse & Storage Experts
- Port & Cargo Handling Operators
- Mining & Minerals Industry Delegates
- Steel & Metallurgy Professionals
- Cement Industry Professionals
- Power & Energy Sector Delegates
- Chemicals & Petrochemicals Industry Professionals
- Fertilizers Industry Delegates
- EPC & Infrastructure Companies
- Automation & Industrial Technology Experts
- Bulk Storage & Packaging Professionals
- Government Departments
- PSUs Consultants, Associations & Technical Experts
- CEOs, Directors & Business Owners

## Industry Wise

- Mining & Minerals Companies
- Steel & Metallurgy Plants
- Cement Manufacturers
- Ports & Shipping Operators
- Power & Energy Companies
- Warehousing & Logistics Companies
- Infrastructure & EPC Companies
- Bulk Storage & Material Processing Industries
- Chemicals & Petrochemicals Industries
- Fertilizers & Agrochemical Companies

## Company Types

- Mining Companies
- Steel Plants
- Cement Plants
- Fertilizer Plants
- Thermal & Renewable Power Plants
- Ports & Cargo Handling Companies
- Industrial Warehousing Operators
- Conveyor & Automation Integrators
- Bulk Storage Solution Providers
- Infrastructure & Construction Companies
- Industrial Consultants & EPC Contractors

## Stall Options

### Option 1 – Built-Up (inside Air-Conditioned Halls)

Includes: Wall Panels, Carpet, Fascia & Stall No. on Open Sides of the Stall, 1 Spotlight per 3 sqm., One 5 AMP socket per 12 sqm., 1 Counter & 2 Chairs per 12 sqm., 1 Glass Top Round Table + 1 Chair per 12 sqm., Basic Single Phase Electricity for stand lighting, General Security and Stall Cleaning)

Power / Electricity required for Equipment; LED Walls, etc. is not included in the stall packages, and to be ordered extra.

### Option 2 – Bare Space (inside Air-Conditioned Halls)

Includes: Bare Space Only and General Security.

Compulsory Power / Electricity order to be made in KW alongwith payment. Power can be ordered and paid at a later stage also (i.e. latest by April 20, 2027).

### Option 3 – Sponsorship & Branding

Please write to our team at email: [exhibitions@elementexindia.com](mailto:exhibitions@elementexindia.com)

## Stall Charges

Stall Type	Domestic Rates (in INR / sqm.)	Overseas Rates (in USD / sqm.)
Option 1 - Built up Stalls	INR 10,000	USD 300
Option 2 - Bare Space	INR 9,250	USD 275
(+) Power / Electricity Order is compulsory for Bare Space and Running Machines in any type of Stalls.	INR 3,000 per KW	USD 75 per KW

(+) Applicable 18% Government Goods and Services Taxes

Please Note: The Domestic participation rates are applicable for companies registered in India and the Overseas for companies outside India.

### Terms & Conditions:

- 50% payment at the Time of Booking.
- Balance (50%) payment, latest by March 15, 2027
- Electricity Order is compulsory for Exhibitors with Bare Space and Running Machines in any type of Stalls.
- Payment towards Power / Electricity order and any orders, needs to be cleared before taking stall possession.
- Stall Allotment Letter will be issued by Accounts Department after clearing all dues.
- All Exhibitors with Bare Space, have to submit their stall design at [exhibitions@elementexindia.com](mailto:exhibitions@elementexindia.com) for approval from Operations Department (please refer full Guidelines for Fabricating your Stall).
- Please clear your payments as per payment schedule; it helps both of us to save time and using that time to give you better & smooth services during Exhibition.

## Bank Details

Particulars	Details
Beneficiary Name	ELEMENTEX INDIA PRIVATE LIMITED
Account Number	925020050242265
Registered Address	F-270, Lado Sarai, New Delhi - 110030
Bank Name	AXIS BANK LTD.
Bank Branch	Basant Lok, New Delhi-110057, India
IFSC Code	UTIB0005109
Swift Code	AXISINBB015

# Biswa Bangla Exhibition Centre, New Town, Kolkata

Biswa Bangla Exhibition Centre (A Part of Biswa Bangla Convention Centre)  
- Newly Developed Exhibition Halls (Centrally Air Conditioned)

- High Floor Load capacity suitable for Heavy Industrial Equipment
- Large Loading Gates for smooth entry and movement of Machinery
- Approx. 2,000 sqm Air-Conditioned connecting lobby between both the Exhibition Halls
- Spacious Exhibition Halls with modern infrastructure
- Excellent accessibility from Kolkata Airport, Hotels, and Business Districts

Biswa Bangla Exhibition & Convention Centre is One of the Largest World-Class Convention Centres in South East Asia. It is a ten-storeyed building which houses a Convention Hall, Two Auditoriums, Two Centrally Air-Conditioned World Exhibition Halls & 4 Other Halls of different capacities. There are 822 parking spaces, executive lounges, swimming pool, gymnasiums etc. It also has a Hotel behind the Main Building, with 100 rooms, which is operated on a Public Private Partnership (PPP) basis.

The venue (Biswa Bangla Convention & Exhibition Centre) is located near EcoPark and very close to Ohio Hospital in the Newtown area of Kolkata. It is about 10.7 km away (16 minutes) from Kolkata Airport (Netaji Subhash Chandra Bose International Airport) and the Howrah Railway Station is about 23.4 km (40 minutes) from the venue.

## About Organiser

Elementex India Pvt. Ltd. is a professional B2B exhibition organiser dedicated to hosting high-impact events that connect industries and drive growth across India. Backed by its Team of seasoned professionals with deep domain expertise - ELEMENTEX delivers World Class exhibitions focused on meaningful connections and measurable results. Our vision is to redefine excellence in the Indian exhibition industry through innovation, strategic insight, and an unmatched network, while our mission is to empower businesses to succeed in competitive markets by transforming bold ideas into powerful, value-driven B2B platforms.
