Connecting Heavy Industries with

Advanced Bulk Material Handling Solutions for
Mining | Steel | Cement | Power | Ports | Chemicals

MOVE BULK. BUILD INDIA.

BulkX India - India's dedicated Bulk Material Handling Expo for Heavy Industries, bringing together technologies, equipment, systems, and solutions for efficient movement, storage, processing, and transportation of bulk materials.

Designed to serve core industries like Mining & Minerals, Steel & Metallurgy, Cement & Building Materials, Ports & Shipping, Power & Energy, Chemicals & Fertilizers, the exhibition creates real business opportunities through networking, innovation, and collaboration.

BulkX India will provide a focused business platform for manufacturers, suppliers, technology providers, EPC companies, logistics specialists, plant operators, and industry professionals to connect, showcase innovations, generate business opportunities, and explore the future of bulk material handling.

BulkX India connects key stakeholders, solution providers, and decision-makers under one powerful platform.

Why Kolkata ?

- Gateway to Eastern & North Eastern India
- Close to major Mining Belts
- Access to Steel & Metal Clusters
- Major Ports (Kolkata & Haldia)
- Access to Eastern India's major industrial corridors
- Connectivity to Bangladesh, Nepal & Bhutan markets

Why Participate ?

- Dedicated exhibition for bulk material handling
- Focussed audience from Mining, Steel, Cement, Ports, Power and Chemicals
- Eastern India's strategic industrial hub
- Opportunity to meet plant-level decision makers

Participation Benefits

- Turn Your Participation into Measurable Business Growth
- Connect with qualified buyers & key decision-makers
- Demonstrate Live Machinery & Solutions
- Launch new products in a targeted industry environment
- Generate high-quality leads & partnerships
- Strengthen brand presence in core industrial sectors

Exhibit Profile

Conveying & Material Transfer

- Belt, Pipe, Troughed & Overland Conveyors
- Screw, Chain, Drag & Apron Conveyors
- Bucket Elevators & Vertical Conveying Systems
- Pneumatic & Vacuum Conveying Systems
- Mobile, Portable & Telescopic Conveyors
- Chutes, Diverters & Material Transfer Systems

Feeding, Storage & Reclaiming

- Apron, Belt, Screw & Vibratory Feeders
- Rotary Airlocks & Material Discharge Systems
- Hoppers, Bins, Bunkers & Flow-Aid Systems
- Silos, Storage Domes & Covered Storage Systems
- Stockyards & Stockpile Management Systems
- Stackers, Reclaimers & Blending Systems

Loading, Unloading & Terminal Handling

- Wagon Tipplers & Railcar Unloading Systems
- Truck Loading, Unloading & Tipping Systems
- Ship & Barge Loading and Unloading Systems
- Grab Unloaders, Receiving Hoppers & Eco-Hoppers
- Rapid, Mobile & Telescopic Loading Systems
- Bulk Cargo Terminals & Dispatch Systems

Crushing, Processing & Packaging

- Crushers, Sizers, Grinders & Milling Systems
- Vibrating Screens, Grizzlies & Classification Equipment
- Mineral Processing & Beneficiation Equipment
- Magnetic Separation & Metal Detection Systems
- Mixing, Blending, Drying & Granulation Systems
- Weighing, Dosing, Batching & Sampling Systems
- Bagging, Filling, FIBC Handling & Palletising Systems

Conveyor Components & Power Transmission

- Conveyor Belts, Idlers, Rollers & Pulleys
- Conveyor Chains, Sprockets, Fasteners & Splicing Systems
- Belt Cleaners, Scrapers, Skirting & Sealing Systems
- Transfer-Point Components, Impact Beds & Conveyor Covers
- Industrial Gearboxes, Geared Motors & Drive Systems
- Motors, Variable-Frequency Drives & Control Systems
- Couplings, Bearings, Brakes, Backstops & Torque Limiters
- Hydraulics, Pneumatics, Lubrication & Flow-Control Systems

Automation, Instrumentation & Digital Solutions

- PLC, SCADA, Automation & Process-Control Systems
- Sensors and Level, Flow, Pressure & Moisture Measurement
- Belt Alignment, Speed & Conveyor Protection Systems
- Conveyor Monitoring & Material-Tracking Systems
- Condition Monitoring & Predictive-Maintenance Solutions
- Plant Simulation, Optimisation & Remote-Monitoring Systems

Environment, Safety & Maintenance

- Dust Extraction, Collection & Suppression Systems
- Industrial Filtration, Ventilation & Mist-Cannon Systems
- Fire Detection, Explosion Protection & Spark-Arresting Systems
- Noise, Vibration, Spillage & Pollution-Control Solutions
- Wear-Resistant Liners, Coatings & Corrosion Protection
- Conveyor Installation, Belt Splicing & Repair Services
- Plant Maintenance, Refurbishment & Industrial Cleaning

Turnkey Projects, EPC & Professional Services

- Turnkey Bulk Material Handling Plant Suppliers
- EPC and EPCM Contractors
- Material Handling System Integrators
- Port, Terminal & Plant Engineering Companies
- Structural Engineering & Fabrication Services
- Plant Modernisation, Expansion & Retrofit Specialists
- Project Management & Engineering Consultants
- Testing, Inspection & Certification Agencies

Visitor Profile

- Plant Heads & Factory Managers
- Procurement & Purchase Professionals
- Material Handling & Process Engineers
- Logistics & Supply Chain Professionals
- Warehouse & Storage Experts
- Port & Cargo Handling Operators
- Mining & Minerals Industry Delegates
- Steel & Metallurgy Professionals
- Cement Industry Professionals
- Power & Energy Sector Delegates
- Chemicals & Petrochemicals Industry Professionals
- Fertilizers Industry Delegates
- EPC & Infrastructure Companies
- Automation & Industrial Technology Experts
- Bulk Storage & Packaging Professionals
- Government Departments
- PSUs Consultants, Associations & Technical Experts
- CEOs, Directors & Business Owners

Industry Wise

- Mining & Minerals Companies
- Steel & Metallurgy Plants
- Cement Manufacturers
- Ports & Shipping Operators
- Power & Energy Companies
- Warehousing & Logistics Companies
- Infrastructure & EPC Companies
- Bulk Storage & Material Processing Industries
- Chemicals & Petrochemicals Industries
- Fertilizers & Agrochemical Companies

Company Types

- Mining Companies
- Steel Plants
- Cement Plants
- Fertilizer Plants
- Thermal Power Plants, Captive Power Plants & Utilities
- Ports & Cargo Handling Companies
- Industrial Warehousing Operators
- Conveyor & Automation Integrators
- Bulk Storage Solution Providers
- Infrastructure & Construction Companies

Stall Options

Option 1 – Built-Up (inside Air-Conditioned Halls)

Includes: Wall Panels, Carpet, Fascia & Stall No. on Open Sides of the Stall, 1 Spotlight per 3 sqm., One 5 AMP socket per 12 sqm., 1 Counter & 2 Chairs per 12 sqm., 1 Glass Top Round Table + 1 Chair per 12 sqm., Basic Single Phase Electricity for stand lighting, General Security and Stall Cleaning)

Power / Electricity required for Equipment; LED Walls, etc. is not included in the stall packages, and to be ordered extra.

Option 2 – Bare Space (inside Air-Conditioned Halls)

Includes: Bare Space Only and General Security.

Compulsory Power / Electricity order to be made in KW alongwith payment. Power can be ordered and paid at a later stage also (i.e. latest by April 20, 2027).

Option 3 – Sponsorship & Branding

Please write to our team at email: exhibitions@elementexindia.com

Stall Charges

Stall Type	Domestic Rates (in INR / sqm.)	Overseas Rates (in USD / sqm.)
Option 1 - Built up Stalls	INR 10,000	USD 300
Option 2 - Bare Space	INR 9,250	USD 275
(+) Power / Electricity Order is compulsory for Bare Space and Running Machines in any type of Stalls.	INR 3,000 per KW	USD 75 per KW

(+) Applicable 18% Government Goods and Services Taxes

Please Note: The Domestic participation rates are applicable for companies registered in India and the Overseas for companies outside India.

Terms & Conditions:

- 50% payment at the Time of Booking.
- Balance (50%) payment, latest by March 15, 2027
- Electricity Order is compulsory for Exhibitors with Bare Space and Running Machines in any type of Stalls.
- Payment towards Power / Electricity order and any orders, needs to be cleared before taking stall possession.
- Stall Allotment Letter will be issued by Accounts Department after clearing all dues.
- All Exhibitors with Bare Space, have to submit their stall design at exhibitions@elementexindia.com for approval from Operations Department (please refer full Guidelines for Fabricating your Stall).

Bank Details

Particulars	Details
Beneficiary Name	ELEMENTEX INDIA PRIVATE LIMITED
Account Number	925020050242265
Registered Address	F-270, Lado Sarai, New Delhi - 110030
Bank Name	AXIS BANK LTD.
Bank Branch	Basant Lok, New Delhi-110057, India
IFSC Code	UTIB0005109
Swift Code	AXISINBB015

Biswa Bangla Exhibition Centre, New Town, Kolkata

- High Floor Load capacity suitable for Heavy Industrial Equipment
- Large Loading Gates for smooth entry and movement of Machinery
- Approx. 2,000 sqm Air-Conditioned connecting lobby between both the Exhibition Halls
- Spacious Exhibition Halls with modern infrastructure
- Excellent accessibility from Kolkata Airport, Hotels, and Business Districts

Biswa Bangla Exhibition & Convention Centre is One of the Largest World-Class Convention Centres in South East Asia. It is a ten-storeyed building which houses a Convention Hall, Two Auditoriums, Two Centrally Air-Conditioned World Exhibition Halls & 4 Other Halls of different capacities. There are 822 parking spaces, executive lounges, swimming pool, gymnasiums etc. It also has a Hotel behind the Main Building, with 100 rooms, which is operated on a Public Private Partnership (PPP) basis.

The venue (Biswa Bangla Convention & Exhibition Centre) is located near EcoPark and very close to Ohio Hospital in the Newtown area of Kolkata. It is about 10.7 km away (16 minutes) from Kolkata Airport (Netaji Subhash Chandra Bose International Airport) and the Howrah Railway Station is about 23.4 km (40 minutes) from the venue.

About Organiser

Elementex India Pvt. Ltd. is a professional B2B exhibition organiser dedicated to hosting high-impact events that connect industries and drive growth across India. Backed by its Team of seasoned professionals with deep domain expertise - ELEMENTEX delivers World Class exhibitions focused on meaningful connections and measurable results. Our vision is to redefine excellence in the Indian exhibition industry through innovation, strategic insight, and an unmatched network, while our mission is to empower businesses to succeed in competitive markets by transforming bold ideas into powerful, value-driven B2B platforms.
